

Marlee Honcoop, CNP

Marlee Honcoop, CNP, is the Member Services Coordinator for [Donors Forum](#), the only regional association in the U.S. that represents both grantmakers and nonprofits, as well as their advisors. They provide education, capacity building, advocacy, peer networking, and project management services for the philanthropic and social impact sector. Marlee is also the project lead and manager for Illinois' first state-wide giving day, [#ILGiveBig](#). In its first year the initiative raised \$ 3.9 million

and brought together over 600 social impact organizations, businesses, families, and individuals to raise awareness of the importance of giving and to celebrate generosity. #ILGiveBig is part of a larger Donors Forum's initiative to increase individual giving in Illinois. Marlee earned a BS in Business and Economics with a concentration in Nonprofit Management from North Park University in Chicago, where she graduated magna cum laude.
