

**ARE YOU AN AFP MEMBER IN THE MIDST OF A JOB OR CAREER CHANGE?**

**JOIN THE AFP CHICAGO CAREERS IN TRANSITION GROUP!**

AFP Chicago Chapter has developed a program for members who might be experiencing job or career transition.

Join the **Careers in Transition** group and participate in monthly programs, discussions, and other activities focused on career transition as well as how to bounce back from sudden unemployment. Whether it means picking up new skills (such as interviewing skills), updating or re-positioning a resume, job coaching, proper business etiquette, or expanding your network.....we want to help you maximize your ability to rebound.

This is an AFP Chicago initiative created to proactively address the current economic environment. If you are interested in discussing career transition issues, or better understanding how to position yourself in the profession, please share the following information with us prior to planning to attend your first session:
